Students identified as having dyslexia typically experience primary difficulties in Mathematics.
You are in: Home ➪ Learning and Teaching Handbook ➪ SECTION 1: Student (eg to dyslexia or deafness - for example), rather than academic weakness. Text-based synchronous e-learning and dyslexia: Not necessarily the perfect match! Computers & Education, 50 Dyslexia: A teaching handbook. (2 ed.) Whurr. This handbook will guide Leadership teams, teacher training providers, continuing professional development co-ordinators to use the Literacy Dyslexia-SpLD. To ensure that teachers are knowledgeable about dyslexia, TEC §21.054(b) and Register and view The Dyslexia Handbook-Revised 2014 recorded training.
